Policy review date: August 2021

Scope of this policy

I Policy Context and Rationale

I.1 This policy covers all pupils and year groups within the school, and sets out the School's approach to Personal, Social, Health and Economic Education (PSHE) and Relationships Education (Junior School) and Relationships and Sex Education (RSE) (Senior School) delivery.

I.2 It was produced through consultation with staff, pupils and parents through (but not limited to) the following channels:

I.2.1 departmental review and feedback,

I.2.3 parent feedback

I.2.4 pupil voice (School and Boarding Council)

I.2.5 wellbeing surveys

I.2.6 ongoing feedback from pastoral teams and other staff members.

I.3 PSHE education provides a significant contribution to the schools' responsibility to:

I.3.1 promote children and young people's wellbeing

I.3.2 achieve the whole curriculum aims

I.3.3 promote community cohesion

I.3.4 provide careers education

I.3.5 provide relationships and sex education

I.4 The policy is informed and underpinned by the School's values of improving boys' self esteem. The PSHE and RSE programme aims to develop:

I.4.1 Successful learners who enjoy learning, making progress and achieving

I.4.2 Confident individuals who are able to live safe, healthy and fulfilling lives

I.4.3 Responsible citizens who make a positive contribution to society

I.5 To ensure that pupils develop an understanding of fundamental British Values and uphold these throughout the curriculum, pupils are also taught explicitly about British Values which are defined as:

I.5.1 Democracy & the rule of law

I.5.2 individual liberty

1.5.3 mutual respect

1.5.4 and tolerance of those of different faiths and beliefs.

These values are taught explicitly through Personal, Social, Health and Emotional Education (PSHE) as well as through RS and the School's broad and balanced curriculum.

1.6 Parents will be informed about the policy via the school e-newsletter and the policy will be made available through the school website.

2 Legislation (Statutory Regulations and Guidelines)

2.1 Under the Education Act 2002, all schools must provide a balanced broadly-based curriculum which:

2.1.1 Promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society

2.1.2 Prepares pupils at the school for opportunities, responsibilities and experiences of later life

2.2 The 2006 Education and Inspections Act placed a duty on Governing Bodies to:

2.2.1 Promote the wellbeing of pupils at the school

2.3 Revised Department for Education statutory guidance will state that from September 2020 all schools must deliver:

2.3.1 Relationships Education (Primary) and Relationships and Sex Education (Secondary).

3 Roles and Responsibilities

3.1 From September 2020 PSHE and RSE delivery across the school will be monitored by the Head of PSHE and the Deputy Headmaster. Each school has its own PSHE lead to ensure contextual and appropriate delivery at each key stage. They will be responsible for liaising with other curriculum leads so that curriculum design in different areas complements the RSE program, rather than repeating what is already taught. Further detail is outlined in Paragraph 8.

3.2 Governance will oversee that the discharge of this policy ensures:

3.2.1 all pupils make progress in achieving the expected educational outcomes;

3.2.2 the subjects are well led, effectively managed and well planned;

3.2.3 the quality of provision is subject to regular and effective self-evaluation;

3.2.4 teaching is delivered in ways that are accessible to all pupils with SEND;

3.2.5 clear information is provided for parents on the subject content and the right to request that their child is withdrawn; and,

3.2.6 the subjects are resourced, staffed and timetabled in a way that ensures that the school can fulfil its legal obligations.

4 Curriculum Design

4.1 The curriculum is designed around active engagement in learning, rather than passively receiving information. Pupils will be given opportunities to consider and clarify their values and beliefs and to rehearse and develop enquiry and interpersonal skills.

This table needs to set out who oversees the delivery of the PSHE and RE/RSE curriculum and how it is implemented in practice in each phase of the school

7.2.2 Be inclusive in terms of gender, sexual orientation, disability, ethnicity, culture, age, religion or belief or other life-experience particularly HIV status and pregnancy;

7.2.3 Include the development of skills to support healthy and safe relationships and ensure good communication about these issues;

7.2.4 Promote a critical awareness of the different attitudes and views on sex and relationships within society such as peer norms and those portrayed in the media;

7.2.5 Seeks to break down stereotypes, tackle negative behaviours and build a culture of positive tolerance and understanding consistently role modeled by all staff at the school.

7.2.6 Provide opportunities for reflection in order to nurture personal values based on mutual respect and care;

7.2.7 Be part of lifelong learning, starting early in childhood and continuing throughout life. It should reflect the age and level of the learner;

7.2.8 Ensure children and young people are clearly informed of their rights such as how they can access confidential advice and health services within the boundaries of safeguarding;

7.2.9 Be relevant and meet the needs of children and young people, and actively involve them as participants, advocates and evaluators in developing good quality provision;

7.2.10 Be delivered by competent and confident educators;

7.2.11 Be provided within a learning environment which is safe for the children, young people and adults involved and based on the principle that prejudice, discrimination and bullying are harmful and unacceptable.

8 Responsibilities and Delivery Overview

Juniors
Head of PSHE and PSHE Department
Head of Pastoral Care Head of Humanities Head of Science/ DSL
The focus during Relationship Education in the Junior School focuses on: - the fundamental building blocks and characteristics of positive relationships, with particular emphasis on friendships, family and relationships with other children and adults; - differences in families and their structure and respect for the individual circumstances of families It addresses the relationships between: - physical health and mental well being - the balance of online and other activities - emotion and the ability to express emotions

Unlike Relationships Education, Sex Education is not compulsory for pupils receiving primary education, although some primary schools may choose to teach it. However following consultation the School has decided that, apart from the sex education content included in the science curriculum for the primary age range, Sex Education will not be provided at Bruern Abbey school in these year groups.

Senior

Head of PSHE and PSHE department
Head of Pastoral Care
Head of Humanities
Head of Science/ DSL

The aim of RSE in the Senior school is to give pupils the information they need to help them develop healthy, nurturing relationships of all kinds, not just intimate relationships. It should enable them to know what a healthy relationship looks like and what makes a good friend, a good colleague and a successful marriage or other type of committed relationship. It should also cover contraception, developing intimate relationships and resisting pressure to have sex (and not applying pressure).

It's aim is to teach what is acceptable and unacceptable behaviour in relationships. This will help pupils understand the positive effects that good relationships have on their mental wellbeing, identify when relationships are not right and understand how such situations can be managed and where to seek support.

It will address what is classified as criminal behaviour and how to identify this, make the right decisions and keep themselves and others they think may be at risk, safe.

It should support them in making sensible judgements and choices about their behaviour and relationships online and be critically aware of online presence and behaviour in order to keep safe.

RSE is also supported through science lessons. In particular, reproduction in humans (e.g. the structure and function of the male and female reproductive systems, menstrual cycles, gametes, fertilisation, gestation, birth and HIV/AIDS)

9 Managing difficult questions:

Primary-age pupils will often ask their teachers or other adults questions pertaining to sex or sexuality which go beyond what is set out for Relationships Education and given ease of access to the internet, children whose questions go unanswered may turn to inappropriate sources of information.

The pupil should be given the option to stay behind and ask again at the end of the lesson, on a one to one basis, rather than in front of a whole group, particularly given the variety of developmental stages within a Bruern class. If the teacher is unsure whether it is appropriate for the question to be answered or have a concern, they should tell the child that they will get back to them and discuss the issue with the Head of PSHE, Head of Pastoral Care, or DSL. On occasion it maybe sensible to consult/ involve parents if the question or area of RSE is a sensitive one.

Students can also be given the opportunity to write down questions that they may have when discussing a particular topic, and the teacher can answer those that are whole class appropriate, and the others on a one to one basis.

10 Parents' right to withdraw their child

10.1 Parents will not be able to withdraw their child from relationships education in prep school or secondary school

10.2 At secondary school level parents will be able to withdraw their child from sex education (other than the sex education which sits in the curriculum as part of science). However, a child will also have a right to opt into sex education from their 15th birthday (specifically three academic terms before they turn 16) even if it is against his/her parents' wishes

10.2.1 Before granting such a request, the Head of School will meet with parents and, as appropriate, with the pupil to ensure their wishes are understood and to clarify the nature and purpose of the curriculum, as well as the benefits and detrimental effects that withdrawal may have on the pupil.

10.2.2 The School will respect the parents' request to withdraw the pupil except in exceptional circumstances [see Paragraph 47&48 of Relationships Education, Relationships and Sex Education and Health Education guidance, DFE: 2019] up to and until 3 terms before the pupil turns 16. After that point, rather than be withdrawn, if the pupil wishes to receive sex education, the school will make the provision.

10.2.3 If a pupil is withdrawn from sex education, the school will ensure the pupil receives purposeful education during the period of withdrawal.

10.2.4 The School will keep a record of all such decisions.

11 Intended Outcomes

11.1 As a result of our PSHE and RSE programme, pupils will:

11.1.1 Develop the knowledge, skills and personal attributes they need to manage their lives now and in the future

11.1.2 Learn to make responsible decisions e.g. about alcohol, drugs, relationships and future careers

11.1.3 Learn to recognise and manage risk and take increasing responsibility for themselves and their actions both online and in their daily lives

11.1.4 Understand the importance of wellbeing and how to tackle issues that can affect their ability to learn and their mental health

11.1.5 Understand the characteristics of and the importance of building healthy and positive relationships both online and in their daily lives

11.1.6 Develop skills such as teamwork, communication and resilience

11.1.7 Be encouraged to make positive contributions to their families, schools and communities

11.1.8 Explore differences and learn to value diversity in all its forms

11.1.9 Reflect on their own individual values and attitudes

11.1.10 Identify and articulate feelings and emotions and manage difficult situations positively

11.1.11 Learn about the world of work

11.1.12 Learn to manage their money and finances effectively

12 Monitoring and Assessing

12.1 Monitoring:

12.1.1 The effectiveness of the PSHE and Relationship Education (Junior School) and Relationship and Sex Education (Senior School) provision will be evaluated through Bellevue's governance reviews.

12.2 Areas for assessment:

12.2.1 Pupils' knowledge and understanding through classroom discussion and formative assessment activities. Teachers should collect evidence of learning to make a judgement about pupils' progress. This may include: presentations, written evidence, group work, observations.

12.2.2 Application of knowledge and skills in wider school participation, resolving conflict, making decisions and forming positive relationships. Pupil voice will be influential in adapting and amending the material for PSHE and RSE to ensure it is up to date and relevant.

13 Confidentiality

13.1 Pupils will be made aware that some information cannot be held confidentially and will be informed that, if certain disclosures are made, the information may be disclosed to the Safeguarding team.

14 Counselling Services

14.1 Pupils are made aware of counselling and information services both in and out of school and offered appropriate support.

15 OutsideSpeakers

15.1 Please refer to Section 6 of the Child Protection and Safeguarding policy for details of procedures for Visiting Speakers.
