Up to £35000 per year, term time only, 18 weeks holiday.

Chilton, near Thame, HP18 9LR, starting September 2022

Are you an experienced chef who enjoys cooking varied menus from scratch with the finest ingredients? As a winner of the Tatler Food Award for Best Independent School Food in 2019, Bruern Abbey School is opening a new Senior School in the beautiful village of Chilton near Thame.

Buern places dining together at the heart of school life, and we buy the highest quality meat, game, fresh fish and seafood, fruit and vegetables to feed our pupils and staff.

Cooking lunches Monday – Friday and dinners Monday – Thursday, the chef will have high food budgets and freedom to cook interesting dishes for this small boarding school. Opening with just one year group this September, the chef will have the opportunity to grow with the school, with support from the Executive Chef based at the main Prep School site near Bicester. There are 18 weeks of school holidays every year and the school is closed most weekends.

Uniforms, shoes and meals on duty are all provided.
