BRUERN ABBEY SCHOOL Complaints Procedure**Guidance**

The complaints procedure at Bruern Abbey School has three stages. The DfE does not distinguish between a 'concern' and a 'complaint'. Any matter about which a parent of a pupil is unhappy and seeks action by the school is considered as a complaint and will be addressed in accordance with this policy. In this respect, it is anticipated that the large majority of complaints will be resolved at the informal stage. The Complaints Procedure is for parents of current pupils unless the complaint was initially raised when the pupil was still registered.

The school will keep records of complaints which are resolved at the informal stage for management purposes, for example to enable patterns or trends to be monitored. A formal written and/or electronic record is kept of complaints made to the school which reach the formal stage. Details will be recorded of;

- whether the complaint was resolved following the formal stage or proceeded to a panel hearing;
- action taken by the school as a result of the complaint, (regardless of whether the complaint was upheld).

Records are kept for at least three years. The school will provide ISI and Ofsted, on request, with a written record of all complaints made during any specified period, and the action which was taken as a result of each complaint.

Timescales

It is in everyone's interest to resolve concerns and complaints quickly. Complaints are more difficult to resolve with the passage of time, so complaints should be raised within three months of the incident. In exceptional circumstances, complaints will be considered outside this timeframe, but the school and complainants should recognise that the task facing investigators then becomes more difficult.

Stage 1 - Informal complaint (Resolution normally within 5 working days)

All complaints may be made on an informal basis initially; verbally or in writing. Sections A-D deal with any informal complaints. In many instances issues will be dealt with straight away. Where further information is required every effort will be made to make an initial response within 24 hours of the issue being raised.

A Complaints by parents about a member of staff

- <

D Complaint by a member of staff about a colleague. Will replicate the structure of the Grievance Process in the Employment Manual.

Stage 2 - Formal Complaint (Resolution normally within 10 working days)

Where the complainant is not satisfied with the response of the school, through the procedures outlined above, they may register a formal complaint. This should be done in writing to the head, including,

- The nature of the complaint
- The reasons for their dissatisfaction with the school's response
- any evidence or commentary that supports their complaint

The date of the receipt of the letter will be taken as the start of this stage of the process.

Stage 2 Internal

The head will meet with the complainant as soon as is practical, to discuss the matter and, if possible, to reach a resolution at this stage. Where a complaint is received during a school holiday, it will be deemed to have reached the school on the first full school day following its arrival. It may be necessary to carry out further investigations. The head will keep written records of all complaints, and of meetings held in relation to them.

Once the head is satisfied that all the relevant facts have been established, a response to the complaint will be made and the complainant will be informed in writing, within ten school days.

The response will always

- give a judgement whether and to what extent, if at all, the complaint is justified, and reasons for the response including reference to any evidence or material considered particularly relevant
- any actions which the school intends to take or a decision, including where a complaint is not upheld

A complainant who is not satisfied should proceed to the next stage.

Stage 2 External

In the event that the complaint is against the Head the formal stage will be dealt with by an investigator of appropriate seniority and expertise who is not an employee of the school. In such an instance the complaint can be submitted to the Head for forwarding, or addressed directly to Bellevue Head Office at the address provided on the school's website. The investigator will meet with the complainant as

members who are independent of the management and running of the school. Adjustments may be made to the composition of the Panel dependent on timescales and the nature of the complaint, there will always be an independent representative. It is possible that there may be a delay in recruiting a panel and agreeing a mutually convenient date for the hearing. In this case, the timescale may need to be altered. If the school has made a reasonable attempt to find a date for a hearing and parents have been unable to agree, or do not co-operate, ISI advises that the panel hearing should go ahead anyway.

b) Send a communication to the parents, providing a method of communicating with the Chair of the Panel, inviting the complainant to attend the panel hearing, along with someone to accompany them if they wish.

c) Provide that the panel is able to make findings and recommendations; and ensure that minutes and recommended actions of the panel are kept for three years.

d) Ensure that a copy of the panel's findings and recommendations is –

(i) provided to the complainant and, where relevant, the person complained about;

and

(ii) available for inspection on the school premises by the proprietor and the head teacher;

e) Ensure all correspondence, statements and records relating to individual complaints are kept confidential – unless the Secretary of State or a body conducting an inspection under section 108 or 109 of the 2008 Act requests access to them

f) Maintain a record of any actions taken by the school as a result of the findings of the panel.

g) Seek to complete this stage of the procedure within 15 working days.
